WENDY DARLING (Female, 18–25 years)

To play 15 but must be over licensing age.

Wendy is an intelligent, loyal and brave young woman willing to face danger to protect those she cares about, even when she is afraid. She is on the cusp of childhood and adulthood, balancing a deep love for fantasy with an emerging sense of responsibility and maturity.

Needs to have a brilliant singing voice - she'll have big solo numbers.

PETER PAN (Male, 18–25 years)

To play 15 but must be over licensing age.

A lively, adventurous, and rebellious boy, he embodies the freedom, wonder, and recklessness of eternal childhood. A bold and charismatic leader.

We need someone who is a strong singer - again will have a big solo number.

Mr Darling/Smee/Ensemble (Male, 39–49 years)

Mr Darling is a somewhat subservient presence to his powerful wife.

Mr. Smee is Captain Hook's loyal first mate and the gentlest soul aboard the Jolly Roger. He is more endearing than intimidating, seeming better suited to domestic comforts than life on the high seas.

Needs a confident singer, but no solo numbers.

JOHN DARLING/ENSEMBLE (Male, 18–20 years)

To play 12 but must be over licensing age.

One of Wendy's brothers and the most practical and level-headed of the Darling children. Slightly older than Michael, John prides himself on his intelligence, logic, and sense of order, often seeing himself as the “grown-up” among the siblings. He enjoys rules, clear explanations, and facts, sometimes to the point of being pedantic.

Needs to be a strong singer and highly proficient instrumentalist.

MICHAEL DARLING/ENSEMBLE (Male, 18–20 years)

To play 8 but must be over licensing age.

The youngest of the Darling children. Affectionate and trusting, Michael is very attached to his teddy bear, which is a source of comfort and security.

Needs to be a strong singer and highly proficient instrumentalist.

TINKER BELL/ENSEMBLE (Female, 18–25 years)

To play 15 but must be over licensing age.

A mischievous fairy, fiercely loyal to Peter and deeply possessive of him, which often fuels her jealousy - especially towards Wendy. Her emotions are extreme and uncompromising; she loves passionately, resents deeply, and reacts impulsively. Her temper can lead her to recklessness or even cruelty but she is also fearful of being replaced or ignored.

Needs to be a strong singer and highly proficient instrumentalist.

TOOTLES/ENSEMBLE (Male, 18–20 years)

To play 11 but must be over licensing age.

Tootles is the youngest and most sensitive of the Lost Boys. Shy and earnest, he often seems overwhelmed by the dangers and excitements of Neverland.

Needs to be a strong singer and highly proficient instrumentalist.

CURLY/ENSEMBLE (Male, 18–20 years)

To play 12 but must be over licensing age.

Curly is one of the Lost Boys, he's good-natured and optimistic, approaches life in Neverland with enthusiasm and enjoys whatever adventure comes his way.

Needs to be a strong singer and highly proficient instrumentalist.

SLIGHTLY/ENSEMBLE (Male, 18–22 years)

To play 14 but must be over licensing age.

One of the Lost Boys - believes that he is the most important and knowledgeable among them.

Self-assured to the point of arrogance, Slightly prides himself on his intellect and often positions himself as second-in-command to Peter Pan, even when that authority exists mostly in his own mind.

Needs to be a strong singer and highly proficient instrumentalist.

NIBS/ENSEMBLE (Male, 18–22 years)

To play 12 but must be over licensing age

Nibs is one of the Lost Boys; cheerful, energetic, and spirited, he is adventurous and approaches life with enthusiasm and a sense of fun.

Needs to be a strong singer and highly proficient instrumentalist.

JUKES/ENSEMBLE (Any gender, Any playing age)

Jukes is a drunken pirate under the command of Captain Hook. Rough, unruly, and greedy, driven by the desire for treasure, power, and revenge against Peter Pan.

Needs to be a strong singer and highly proficient instrumentalist.

NOODLER/ENSEMBLE (Any gender, Any playing age)

Noodler is another pirate and the official musician of the Jolly Roger.

Needs to be a strong singer and highly proficient instrumentalist.

SKYLIGHTS/ENSEMBLE (Any gender, Any playing age)

Another pirate.

Needs to be a strong singer and highly proficient instrumentalist. Skylights would ideally play the drums, but again we are open to other options.
